

Oven Units

Cabinets with an oven cavity

Oven Units

The only option for an integrated oven is one of our oven or oven tower units. They are made to fit standard sizes but please refer to the internal cavity dimensions on our website before purchasing an oven!

Included Parts*: Blum Hinges, Drawer Runners & Euro Feet.

Depth & Heights: All units are 580mm deep.

Base unit height is 870mm and towers are 2220mm (including feet).

* Oven base cabinets are available with hinges or drawers.
